IV. Old Business:

-Challenge coin: The group took a look at the Central Valley business card insert and brochure for their coin, and we decided to create a generic email address for the Central Coast CAPTO region. This will help us have identifying information on the business card and brochure. Bryan Cox was tasked with creating a generic email address for our group. Since our meeting he has done that and here it is, captocentralcoast@yahoo.com. Chrissy Alvarez is in the process of creating the brochure and business card to accompany our challenge coin. Most of it is complete; however, we are now looking for some pictures to include in our brochure. If your agency has any pictures of specific training, or training related events please forward on to Chrissy Alvarez as soon as possible. We would like the brochure and business card complete before our next meeting.

V. New Business:

-Discussion took place again about our meeting dates being changed back to Thursdays, and most of the individuals at the meeting stated Tuesdays worked best for their schedules. At this moment in time our meeting dates will remain every other month on the second Tuesday.

-The minutes from the State CAPTO meeting were passed out, and discussion took place on the topic of dues and dues split. Chrissy Alvarez brought up the information obtained from the State meeting regarding possibly changing the dues and dues split to whatever we want. The consensus of the group was that the \$40 is working out fine with our region, and the 20/20 split is working out fine as well. Lisa Chesson motioned to keep \$40 yearly dues, with a 20/20 split with the State, and Greg Dossey second the motion. The motioned passed unopposed.
